Busy Few Weeks
We have had a very busy few weeks with students participating in the Growing up Program, students being involved with the Windows on Deloraine Art Program, tree planting involving students from all classes below Grade 6, our run around Australia day and Footy colours day.

Growing Up Program
The Growing up program was conducted by Kerry, an instructor employed by Family Planning Tasmania. Again these sessions were very well presented and with content that was very appropriate for our children. For the first time we extended the program to include Grade 4 students and the response from both children and parents contacted was very positive. We hope to include Grade 3 students in the future.

Forestry Tasmania Tree Donation
We received a donation of trees from Forestry Tasmania earlier in the term and Mr Colman allocated each class several trees. These were planted in the grounds last week and will become the responsibility of class members to maintain them over the years that they are students here. We will watch with interest as they are nurtured into mature plantings.

Sunrise Bakery Fundraiser
Recently our Parent Forum fundraisers conducted a Sunrise Bakery fundraiser. Many thanks to those who purchased items and to Alicia and Colina who coordinated the fundraiser and their packers. Our Kinder students were fantastic sales people with both classes being our top fundraisers of all of the classes. We raised $911 plus a sports gear pack. Well done!

Gold Card recipients
Gold Card recipients for the week are Khye and Hayden from 3/4 and Zoe and Jaiden from 2/3. Well done.

DPS Run Around Australia Event
Last Wednesday our students took up the challenge to raise money for our new heat pumps for the pool by competing in the DPS Run Around Australia event. Along with children from other states, students were challenged to run or walk as many laps of a kilometre course as they could. Many took the opportunity to run during their lunch and recess break. Together they completed 1229 laps which was 460 more than last year. Well done everyone and many thanks to the overworked recorders. Money from sponsorship needs to be returned by this Friday, 13th September and we will inform you of the final tally after that.

Highest achievers were:
Primary
Male: Beau Lindsay & Hamish Hooper - 18 laps
Female: Mia Chilcott & Elina Cole - 15 laps

Early Childhood
Male: Kaiden Eastley - 8 laps
Female: Danika McCabe & Amber Sherriff - 6 laps

Footy Colours Day
The SRC coordinated our Footy Colours Day last Friday, raising money for Cancer research. We raised $209.05. Thanks to those who took part.

Footsteps Program
Up coming events include our Footsteps program, a week long dance program which includes a disco night on the 26th of September and a visit by story teller Kym Lardner on the 25th September.

School Survey
Many thanks to the students and parents who have completed their School Survey. Please feel free to contact the school if you need to access the survey on a school computer.
Community Garden Volunteer Leader—We are looking for a teacher/retired teacher or an enthusiastic gardener who would like to share this passion with groups of primary school children. If you would like more details contact Sandra Evans (Deloraine Primary) on 63622012 or Ros at Deloraine House 63622678.

Gold Cards

Congratulations to the following Gold Card Recipients:
2-3G  Jaiden & Zoe
3-4G  Hayden & Khye
