Celebrating Children Assembly

Last Friday I had the privilege of attending the Celebrating Children assembly conducted by students from the 2/3/4 community. A large group of parents and family viewed examples of learning from a range of subject areas and were treated to a performance by the 3/4 choir and Grade 4 ukelele group. This was a wonderful display of work, a credit to both the students and the teachers involved. Many thanks to Mrs Walsh who was instrumental in establishing these assemblies and running each one.

Deloraine Show

Many thanks to Mrs Walters and her helpers who prepared goods and manned the stall at the Deloraine Show. Their efforts raised $100.

Garden

Visitors to the school will notice that we have finally completed the garden at the entrance to the office. Mr Lord, Mrs Stephenson and Mr Heyward dodged rain showers to complete the project. Well done. It has definitely improved the first impression that visitors receive.

Arm River Visit

On Monday a group of students visited Arm River on a cultural experience. This is a part of our Investing in our Focus School funding. The children will be further developing their experiences over the next few weeks. We look forward to hearing their soundscape.
