Celebrating Children Assembly

Last Thursday students from Prep K, Prep/1B and 1P conducted the second last Celebrating Children Assembly for 2013. Over 100 parents and family viewed examples of learning from a range of subject areas covered this year. This was a wonderful display of work, a credit to both the students and the teachers involved. Many thanks to Mrs Walsh who was instrumental in establishing these assemblies and running each one.

School Association AGM

The Annual General Meeting for the School Association was held this afternoon. While final results are not available at the time of printing, I would like to acknowledge the dedication and hard work of the current members in particular the efforts of the outgoing President Elise Chilcott. Elise's support of the school over the past 3 years has been outstanding. The knowledge and commitment that she has brought to the position has ensured that the Association has fulfilled its important role in supporting school governance with integrity. Her can-do attitude has resulted in many benefits for our school particularly in the gaining of grants for many projects. Her enthusiasm and dedication will be missed. Best wishes to the incoming School Association members.
Congratulations to Cody from 2-3G who is our Aussie of the Month for September.
