

Visitors entering classrooms

The Department of Education and Public Health advise that it is safe for parents and visitors to enter classrooms.

However, you must adhere to the following hygiene, distancing and safety requirements.

Keep hands clean through regular washing with soap and water or hand sanitiser.

Don't enter if you feel unwell.

Keep your visit brief and don't stay longer than is necessary.

Maintain **1.5 metres** distance between you and other adults.

Longer classroom visits are now permitted for:

- Parent and Teacher meetings
- Parent help and classroom volunteer activities
- Special programs eg. fire safety, the Growing Up Program

Please contact the school office to organise a suitable time to visit.

You will also need to complete the Visitor Health Screening form on arrival.
